Advance Nilfisk Sweeper Scrubber - Imagine how long and tedious it will be to clean-up after a party, with no assistance from machines. Not too long ago, the dust from upholstery and carpets had to be beat out of them manually; brushes, cleaning cloths and brooms were the best cleaning products at the time.

The man who established Nilfisk-Advance, P.A. Fisker, began as an electrical engineer who really liked to work on electrical motors. After establishing his company during the year 1906, he started to make motors to drive coffee grinders, fans, machine tools and drills. Mr. Fisker's dream from the start was to have a global company selling goods internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning industry. Mr. Fisker invented a remarkable, ground breaking vacuum cleaner that can be operated by a single person as it only weighed 17.5 kilos! This invention came in a time where other cleaning equipment were very big and required 4 or more operators, therefore, the Nilfisk C1 transformed everything and evolved the manner we clean forever. The genius behind these first cleaning machines remains unparalleled. Cleaning equipment provide an excellent solution to an ongoing problem; stuff get filthy and must be cleaned frequently, without too much effort.

Slowly, the company Nilfisk-Advance expanded throughout the years. In the early 1980's the company developed more rapidly when the company became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance forward within the business, aspiring to be an active international player in manufacturing professional cleaning machines. Nilfisk-Advance is currently located in all parts of the world by steadily acquiring numerous small businesses to be able to develop their product selection and presence in new markets. They are really proud to present various cleaning solutions to meet every requirement.
