

American Lincoln Scrubber Parts

The American Lincoln division is currently associated with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning equipment that are known within the industry as strong and durable machinery that satisfies all the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are available in the market under the brand name "Encore". American Lincoln could supply machines, components and warranty service for these kinds of scrubbers which have both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility supervisors where results and efficiency matter. Lately, this particular floor scrubber model has been utilized by the architects in various construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on location due to the model's excellent quality and utmost performance level for polishing concrete.
